SHAKTI SUSTAINABLE ENERGY FOUNDATION
104B, 4th Floor, The Capital Court, Munirka (Phase-III), New Delhi-110067
(EXCLUSIVE FOR FCRA PURPOSES)
Schedule 10 Significant accounting policies and notes to account

1. Company overview

Shakti Sustainable Energy Foundation ('The Company') was incorporated on October 5, 2009 and is a company licensed to operate under section 8 of the Companies Act, 2013 with share capital. The main objective of the Company is to promote an environmentally sustainable and secure future for the India's citizens by supporting activities that contribute to preservation of the environment, including low carbon development and sustainable energy policies and to support policies which promote energy efficiency, sustainable transportation and renewable energy.

2. Significant accounting policies

a. Basis of preparation

The Balance Sheet and Statement of Income and Expenditure are prepared on accrual basis under the historical cost.

b. Use of estimates

The preparation of financial statements in conformity with the generally accepted accounting practices requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ from those estimates. Differences between the actual results and estimates are recognised in the year in which the results are known/ materialized. Any revision to accounting estimates is recognised prospectively in current and future periods.

Contingencies are recorded when it is probable that a liability will be incurred and the amount can be reasonably estimated.

c. Fixed assets

Fixed assets are stated at cost less accumulated depreciation. Cost comprises the purchase price and any costs attributable to bring the asset to its working condition for its intended use.

Intangible assets are recorded at the consideration paid for acquisition.

d. Depreciation

The Company is following written down value method of depreciation in respect of its tangible assets as per the useful life as prescribed in Schedule II to the Companies Act, 2013.

Intangible assets comprise of Computer software which is amortized over a period of three years on a straight line basis.

Assets costing up to Rs.5,000 each are depreciated fully in the year of purchase.

Establishment of an energy efficient motor rewinding center at MSME cluster in Faridabad	1,375,282
Design and demonstrate an ESCO business model to promote energy efficient electric motors in Chemical industries in Gujarat	4,986,867
Designing an Energy Efficiency Insurance Product	897,015
Estimation of baseline energy consumption in 4 industrial sectors in India - in support of the BEE-PAT program	380,073
Facilitating Energy Efficiency in the Indian Railways	2,207,706
Facilitate Development of Framework to Promote Alternate Fuel Utilization in India: Phase 3	2,164,400
Development of Renewable Energy Zones in Resource-Rich States of India	1,385,235
Comparative Assessment of International Projections on Growth of India's Power Sector	2,801,041
Printing work of "India's Renewable Electricity Roadmap Initiative"	145,950
Periodic tracking of the RE sector and dissemination of RE developments in India	4,200,374
Addressing land issues for utility scale renewable energy deployment	2,366,528
Implementation road map for Renewable Energy backed electric public transport system for Bangalore and Kolkata	4,558,656
Assessment of cost and benefits of other energy resources vis-a-vis	1,145,853
Continued support to India Innovation Lab for Green Finance	1,647,941
Bus Karo: Forum for public transport policy advocacy and knowledge sharing	4,432,707
Promoting sustainable transport in Smart Cities through technical assistance and capacity building	4,545,285
Road Pricing as a Travel Demand Management Tool	2,717,953
Improving bus transport infrastructure and operations in Himachal Pradesh	2,409,808
Research and advocacy for Transit Oriented Development (TOD) in Indian	2,985,759
Inter-model comparisons of different transportation sector policies in India in support of NDC implementation - TERI	794,739
Developing strategies for increasing the share of Indian Railways in the movement of total National freight – Phase II	304,676
Continued Technical assistance to four Smart Cities	801,118
Inter-model comparisons of different transportation sector policies in India in support of NDC implementation	1,881,624
Developing enabling frameworks for green bonds in sustainable urban Smart Cities Index	1,372,453
Developing a comprehensive planning framework for Urban Freight	2,100,000
Establishing a research consortium on vehicular emission reduction	3,582,597
Establishing a Standards and Labelling (S&L) Program for Vehicular Tyres	1,612,995
Research and Advocacy on Vehicular Emission Reduction (Phase II)	921,222
Other Project Expenses	2,335,363
Expense in connection with exclusive screening of a yet to be released movie titled "Kadwi Hawa"	634,806
Low Carbon, Smart and Sustainable Cities Workshop	416,913

e. **Grants and donations**

Grants against specified purposes and stipulations that limit the use of the grants are recognized as income in the Statement of Income and Expenditure in the period in which relevant expenses are charged to the Statement of Income and Expenditure.

In case, the terms of the donor agreement stipulate that the income earned on specified grant shall also be used for the same purpose for which such grant was made, the same is credited to respective grant balance.

Grants utilized for acquisition of capital assets are credited to Capital Grant Reserve in the Balance Sheet. Such grants are recognized in the Statement of Income and Expenditure on a systematic and rational basis over the useful life of the fixed assets. The allocations to the income statement are made over the periods in the proportion in which depreciation on the related fixed assets are charged to statement of income and expenditure.

f. **Interest income**

Interest income is recognized using the time proportion method based on underlying interest rates.

g. **Expenditure**

Grants transferred to grantee partners are accounted for on the basis of audited utilization certificate/statement submitted by the grantees and approved by the management.
